PROMOTING EXCELLENCE IN PRACTICE

In 2017, **Mike Allsop** became one of a very small number of New Zealand climbers to have summited Mt Everest. And, in 2013, he became one of a handful of adventurers to have completed 7 marathons in 7 days on 7 continents, raising over \$75,000 for charity.

He speaks from the heart about the power of goal setting. As a young boy from a single-parent home, Mike's dream of becoming an Air New Zealand captain seemed impossible. But that didn't stop him from achieving that goal, nor did it stop him from climbing the world's highest mountain.

Mike inspires his audiences with tales of courage, commitment and survival. They're sure to leave you a little breathless but armed with confidence. He speaks from the heart when he tells his audiences about the power of goal setting. Hearing him recount his experiences will take you on a surprising journey of courage and companionship, life and death.

St Patrick's College is delighted to welcome Mike Allsop to a dinner that raises funds to invest in the Professional Development of our teaching staff.

Join us at the St Patrick's College Foundation Annual Benefit Dinner and Auction at the College Hall on Saturday 30 June. Tickets \$80 each.

Includes pre-dinner bubbles, three-course dinner and wine. Cash bar available.
