PRODUCTION WEEK

Monday 30 July– Thursday 2 August.

Show start time: 7.00pm

Notes on using the rehearsal schedule

1. Please look after this. It is not the staff's responsibility to keep telling you when you are needed because you have lost it.
2. Wednesday rehearsals are singing rehearsals from 6-8 and Sundays are both Singing and Staging from 12:30-5:30. The only exception in Term 2 is a dancing rehearsal on the Wednesday 20th of June for the brothers and Joseph. This will run from 6-8pm but this is subject to change.
3. For the crowd/chorus cast members we have grouped you into three different ensembles - *Canaan Chorus, Potiphar Chorus and Egyptian Chorus.*
4. Most of the time you are singing you will be on stage or back stage, however there are a few moments in the show where we will need you in the wings singing to increase the volume.. You will not need to attend the staging rehearsals during Term 2 if you are only singing in the wings on those songs. We will walk through these parts during the school holidays. The songs where this happens are Prologue, Any Dream Will Do, Potiphar, Close Every Door, Song of the King, Poor Poor Pharaoh, Who's The Thief.

5. The numbers with everyone singing are : Prologue, Any Dream Will Do, Jacob and Sons, Close Every Door, Go Go Go Joseph, Pharaoh Story, Song of the King + Reprise, Joseph All The Time, Jacob in Egypt, Any Dream Will Do Reprise, Megamix. Other songs have selected chorus involved so check the cast list and schedule carefully.
6. The rehearsal schedule is a flexible document. Be aware that there is likely to be changes and late additions so we ask that cast members be flexible too.
7. Note that nearly all of the second week of the holidays is set aside for the production. Missing any rehearsal you are needed for will be a serious issue for staff but mainly for your fellow cast members as you all rely on each other.
8. The first Sunday singing rehearsal is 6th May and the first Sunday staging rehearsal is Sunday 20th May.
9. The deadline to know your lines is 8th July. The sooner lines are learnt the easier it is to direct and stage scenes. Soloists should especially take responsibility for learning their own music. Work with your singing teacher or with one of the Music teachers at your school. Prepare your songs so that you can turn up to the rehearsal confident of your part. Keep working on them so that the words are memorised.
10. Listening to recordings of the show is an excellent resource for learning the music. Mr Powdrell will email out some audio files. There are various versions of the music/words on the internet. Make sure you learn the right version. We are doing the 93 Tour Version - the script and music book we have issued you should be used. We will inform you of any changes to this and Mr. Powdrell will do his best to email out the new music as soon as possible.
11. The schedule has been organised so that, hopefully, people will be fully occupied and there will be very little downtime. However, if you do find you are waiting during a rehearsal slot then silence is essential for the directors and cast on the stage. Having constant noise from those not involved makes it very difficult and frustrating and patience will rapidly run out. If necessary bring some school work to do if there is downtime.
12. Bring a drink bottle and snacks to the rehearsals.
13. And finally, this will be fun and there will be laughs along the way. Enjoy it as you are the most important part of the show and we are very pleased with the cast we have chosen. But always be professional and responsible in everything. If you cannot attend a rehearsal because of a crisis or sudden unexpected event please contact Mr Wood. Good communication is very important. His email is derek.wood@stpats.school.nz and his cell phone is 027 910 3867.
